## About Talent Hunt

The Talent Hunt is an internationally mandated program of Omega Psi Phi Fraternity, Inc. The necessity for Talent Hunt was born out of the reality that there were limited opportunities afforded to some populations in the country for youth to give full expression to their artistic and creative abilities. The Talent Hunt provides exposure, encouragement, and financial assistance to talented high school students in grades 9 through 12. Students compete for scholarships and the opportunity to showcase their talent to a distinguished group of judges. Local, state, and district Talent Hunt programs are competitive. The international program is a demonstration of first-place winners from around the world.

## Mission

The mission of the Talent Hunt is to identify the talented and motivated youth of our communities and to provide an appropriate competitive forum for the display of their talents in the areas of Music: Vocal and instrumental; classical, semi-classical, gospel and jazz; Interpretive Movement to Music: ballet, modern dance and tap; Speech: Poetry, orations, monologues, etc. and Art: Visual, sculptures and photography. The Talent Hunt provides exposure, encouragement and financial assistance to talented young people participating in the performing arts. Winners are given recognition awards and may receive college scholarships.

# About Omega Psi Phi Fraternity, Inc.

Omega Psi Phi Fraternity, Inc. was founded on November 17, 1911, at Howard University, and incorporated October 28, 1914, in Washington D.C. The fraternity has been active nationally and internationally for over 110 years. During that time, we have been involved in a variety of community activities such as Scholarship Programs; High School Essay Contests; Voter Registration, Education and Mobilization; Anti-Domestic Violence Initiative; Fatherhood Initiative in collaboration with the White House; Big Brothers, Big Sisters Initiative; Assault on Illiteracy; Habitat for Humanity; Mentoring Programs; and Health Initiatives which include programs such as the Charles R. Drew Blood Drive, HIV/AIDS Awareness, and participation in fundraisers for charities such as the American Cancer Society, American Diabetes Association, United Way, Sickle Cell Anemia, and St. Jude Children's Research Hospital just to name a few.

# About International Talent Hunt Foundation

The International Talent Hunt Committee of Omega Psi Phi Fraternity, Inc. saw a need for additional financial support for students in the fine arts. They determined that a nonprofit organization could provide the vehicle required to garner the necessary support. After much discussion, in 2014, the International Talent Hunt Foundation (ITHF) was founded and organized exclusively for charitable, economic, and educational purposes, but without limitations to serve as a publicly supported, exempt organization under Section 501 (c)(3) of the Internal Revenue Code of 2006. All donations to the foundation are tax-deductible.

The ITHF's purpose is to provide financial support directly, or in concert with interested institutions or organizations, to Omega Psi Phi Fraternity's International Talent Hunt Program. The foundation solicits grants, contributions, and legacies to dispense for support of the International Talent Hunt Program by supporting and enhancing projects, programs, and activities for talented and motivated youth in the performing and visual arts. The general nature of the foundation is threefold: (1) To provide the opportunity for artistic youth to develop and give full expression of their talents; (2) To provide support for high school students who participate in all forms of the visual and performing arts and (3) To expose rising artists to a variety of entities related to different genres of the arts that will provide them with skills for moving their careers to higher levels of entertainment.
